To comply with provisions in the Unit 18 contract, new leave types were created in UCPath, for the **Unit 18 Pay for Family Care and Bonding (PFCB)** pay option to take effect July 1, 2022.

The Unit 18 PFCB pay option provides income replacement for up to (4) four workweeks per calendar year. This pay option will be available to Unit 18 Faculty who are on an approved Family and Medical Leave (FML) or Qualified Personal Leave, for parental bonding, to care for a family member with a serious health condition, for Military Caregiver leave, or for Qualifying Exigency Leave.

A Unit 18 faculty member does not have to qualify for leave under FML in order to apply the Unit 18 Pay for Family Care and Bonding pay option to their leave.

**Use of Unit 18 Pay for Family Care and Bonding (PFCB)**

- Unit 18 PFCB is available to employees appointed in a job with **Union Code IX** (Unit 18). The Representation Code in Position Data must be ‘**Covered**’.
- Unit 18 PFCB is calculated at 100% of a Unit 18 faculty member’s eligible Unit 18 earnings. This includes base salary payable through the University.

**Note:** Locations are responsible for monitoring eligibility: Eligible earnings include a Unit 18’s base salary payable through the University. Base salary includes on-scale and above-scale, where applicable. Eligible earnings do not include pay that is received in addition to the Unit 18 faculty member’s regular appointment such as “by agreement” payments, honoraria, compensation for extension teaching, summer session teaching, and any other compensation received that exceeds 100% of the base salary of the full-time equivalent of the Unit 18 faculty member’s eligible appointment(s). However, if the only appointment is for extension or summer session teaching or is a “by agreement” appointment, and the Unit 18 faculty member meets all other PFCB eligibility criteria, those earnings are considered eligible earnings. PFCB is based on the salary rate in effect during the leave.

- While receiving pay under the Unit 18 PFCB pay option, UCRP service credit for UCRP-eligible employees is calculated as if the Unit 18 faculty member is on pay status for 100 percent of their normal work effort.
- The Unit 18 PFCB pay option must be applied for a qualified leave in increments of at least one work week.
- The Unit 18 PFCB pay option provides each Unit 18 member with up to 4-weeks of paid leave per calendar year for eligible leaves. For part time employees in Unit 18, the 4 weeks will be prorated.
- Once the employee has exceeded the 4-week maximum in a calendar year, UCPath will reject further transactions for Unit 18 PFCB.
- Unit 18 PFCB entitlements reset annually and do not roll over from year to year.
