The IRS has approved the delivery of your tax statement(s) online if you provide your consent. Complete this request form to receive Form 1095-C electronically via UCPath only. You will have access to an electronic copy of Form 1095-C in UCPath until your employment is terminated regardless of whether or not you consent to discontinue receiving a paper copy. You will need a web browser with Adobe PDF functionality to access, print, and/or retain the statement.

If this consent is submitted after January 1st, you may still receive a paper copy of the form in the mail for the previous calendar year. Once you submit the Consent Form, it will remain valid until you submit a Withdrawal of Consent Form, unless your employment is terminated or your employer stops providing electronic access to forms.

If you have any questions, please contact UCPath.
