

This Job Aid supports the information learned in [EMP112: Benefits Information](#)

You can view your dependent information within the UCPath system. This feature allows you to confirm the details of dependents associated with your benefit plans, such as names, relationship types and coverage status. Keeping this information up to date helps ensure your benefits are applied accurately and without interruption.

Navigation:

Menu > Benefits & Retirement > Health & Welfare
Benefits > **View My Dependents**

Before you access your personal information, you must validate your identity by answering one of the security questions you initially set up on your profile.

- The **Dependent Information** page lists your dependents. To view your dependent's details, select the **View Details**  icon.
